

## TELEFUNKEN from 1919

History of Radio has lots wonderful pages. Several days ago I found in the internet old Telefunken catalogs from far 1919. See the description below:

**Tel-Buch-1919-Kapitel-1:** Catalog that described history of Telefunken from 1904 TO 1919. *In German.*

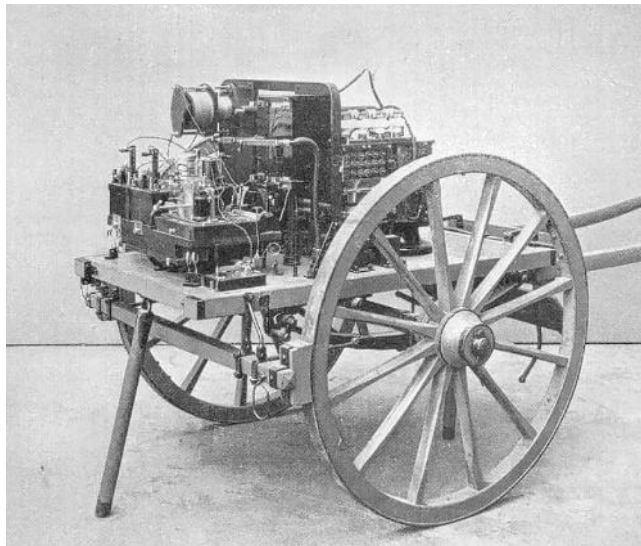

**Tel-Buch-1919-Teil-2-1:** Catalog that described military equipment made by Telefunken. *In German and English.*

**Tel-Buch-1919-Teil-2-2:** Catalog that described Land and Ship equipment made by Telefunken. *In German and English.*

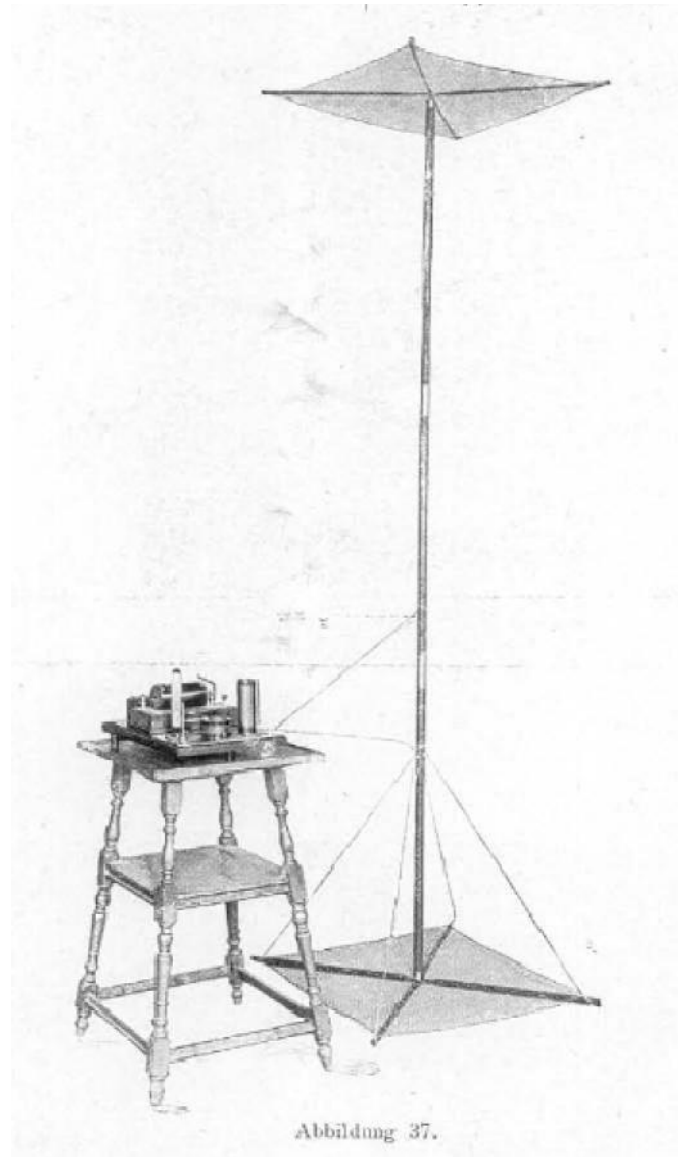

**Tel-Buch-1919Teil-2-3:** Catalog that described Aeroplane and Airship Radio Stations. *In German and English.*

**Tel-Buch-1919-Teil-2-4:** Catalog that described Receiving instrument and accessories made by Telefunken. *In German and English.*

With great enjoy I read the catalogs and I fully immersed in old times and old Radio. Hope you too with great enjoy will read the catalogs. I cannot read German however the old pictures say more the words.
